

SC Series – Mobile Wash Skid 2 Gun, adjustable flow

Hot / Cold Water – Self Contained: Diesel Heated, Gas Engine

The **SC Series – 2 Gun** offers the most versatile hot water pressure washers on the market today. Each skid comes equipped to allow the operator to vary the flow of the machine and reliably handle a two-gun set-up. The system is engineered to uniquely balance 1 or 2 gun operations. The SC Series is powered by industrial engines, hi torque–low RPM belt driven pumps and reliable 110v burner system with a 2.9Kw generator, providing power for running a water recycling system or other accessories.
